Miss Vivian Beckwith Is Bride of R. H. Grant

Miss Vivian Inez Beckwith, daughter of Mrs. Melvina Beckwith, became the bride of Ralph H. Grant at a pretty and impressive double ring ceremony at the Christian church in the presence of a host of friends, Tuesday afternoon with Rev. George Elder officiating. The church was a veritable bower of rose and white Watsonias and potted palms.

The bride was beautiful in a fitted wedding gown of watered rose silk crepe and carried a bride's bouquet of tea roses and maiden-hair fern. She was attended by her sister, Mrs. Florence Vels, as matron of honor, who wore a gown of blue crepe and a corsage of pink roses and lily of the valley. Stephen Vels attended the groom as best man. Mr. Lewis Dreyer, accompanied at the piano by Mrs. L. G. Danford, sang "At Dawning" and "Sweet Mystery of Life" as a prelude to the ceremony.

The bridal party entered to the strains of Mendelssohn's Wedding march played by the bride's cousin, Miss Elsie Beckwith of Huntington Park. Mr. and Mrs. Grant left immediately for a honeymoon at Goldwaite, Texas, the home of the groom's parents. They will receive their friends at their new home in Chulita Vista upon their return to California about May 1.

ANOTHER EXAMPLE OF FORD VALUE

Bright, enduring RUSTLESS STEEL is used for many exposed bright metal parts of the Ford

WHEN YOU BUY a Ford you buy enduring beauty. The body finish is made to last for the life of the car and practically all exposed bright metal parts except the bumpers are made of enduring Rustless Steel.

This Rustless Steel has great tensile strength. It is the same bright metal all the way through. A salt test equivalent to forty years' service under the severest weather conditions failed to have any effect on its brilliance. It never requires polishing. All you do is wipe it with a damp cloth, as you do your windshield.

This is just one of many features that show the substantial worth of the Ford. In speed, comfort, safety, economy and long life—in the richness of its finish and upholstery—it brings you everything you want or need in a motor car at an unusually low price.

Call or phone for demonstration.

LOW FORD PRICES \$430 to \$630

(F. o. b. Detroit, plus freight and delivery. Bumpers and spare tire extra at low cost. You may purchase a Ford car or truck for a small down payment, on convenient, economical terms through your Ford dealer.
